Appraised at \$460.

Terms of sale cash.

C. W. CARROLL

Wishing to go West, I offer at private sale the Farm on which I now reside lying 2½ miles Southeast of St. Clairsville and 2 miles North of the Central O. R. R., containing 1.41 Acres, 110 Acres cleared. There is on the Farm a good one-story House, with five rooms, a log barn and other out buildings.—There is 250 Apple trees, with an abundance of small fruit of all kinds. Also, an abundance of Coal, Wood and Water. The farm is in good repair, nearly all in grass and all under fence. Persons wishing to purchase would do well to examine the premises, as I will self at a bargain.

vice. At seven o'clock we arrive in Hotel. Having made a visit to the silver mines attention again to the scenery. Seeking an elevated position from which to view the surrounding country ever giving more pisturesque, I mount to the highest point of Republican mountain. As I ascend the trail, the valley looks beautiful below-it seems almost under me and my head almost swims. For some distance the timber has been removed and there is nothing to obstruct the view but Price 25ets., 50 cts., and \$1 per bottle. having reached the forest all surround-J. N. HARRIS &Co., Cincinnati. O. ing country is hidden. On ward and Proprietors for the Southern and Western | upward I go until I reach the top and oh! what a sight bursts upon my view! Around on every side nought is seen but high, steep and rugged cliffs. Not a tree obstructs my vision, for I am far above where even a shrub will growhundreds of feet below is the "Music of the Pines. Not a sound is sound is heard, save the whistling of the wind; not a living creature meets my gaze. Cold and fierce blows the wind as it leaps from the surrounding snow-clad peaks. But night is coming on, the Sun is seeking rest behind the towering rocks and knobs ever loudly chanting their aia-kers praise. Gathering a few small stones ing a farewell shot I turned with regret to retrace my steps-regret not that I had made the journey—but that I could no longer remain. As fast as horse and rider could descend the steep and dangerous path (for 'twas only a path) we hurried to the vale below. At the end of one hour, having halted only to make a ball of snow and pluck a beautiful flower that grew by the path, I was a day it would go like the very mischief again secure in the little village of and keep up such a barking, and wheez-
